About Us

Poomalai Housing was started in 1999 with a goal of constructing homes that are of highest quality standard. Today, Poomalai housing has successfully completed 28 projects in and around Chennai with a built up area of 150,000 sq. ft. The team of Poomalai housing comprises of the best architects, structural and civil engineers with adequate exposure to a variety of projects and many years of experience in the field of building construction. Poomalai housing is committed to deliver homes for its customers which are of highest quality standards at a satisfying, affordable and nominal price. For Poomalai housing, each and every customer is valuable. Customer satisfaction had been and is a primary goal for Poomalai housing. To acknowledge this noble gesture, Poomalai always gives its customers an opportunity to select their own flooring and decorative materials for their dwelling place. This one of the cutting edge of Poomalai when compared to other builders / constructors. Poomalai tailors the house based on its customer needs. Timely completion of the projects has also been the major focus for Poomalai housing. Poomalai always believes in keeping up its promise with its customers. Since, 1999 Poomalai has completed many projects and have won the trust and hearts of all its customers. All the properties that Poomalai delivers to its customers are thoroughly checked by their legal team and it ensures that all the property documents / deeds are perfectly fine. This makes...
