About Us

Established in 1976, Poonam Gift Palace is one of the well known retailers and suppliers of soft and board games. Our range encompasses baby dolls, teddy bear, musical toys, doll house & tent house, kids toy pianos, religious soft toys and boy toys. Furthermore, we also offer educational toys, soft teddies, kids video games, kids indoor games, robot cars and remote helicopter. These attractive toys are appreciated for their adroit designs, different color combinations, striking features and accessories along with long functional life. Our range is widely used across different departmental stores and retail outlets in the country. The products are procured from reliable vendors in the market. These are quality tested on different parameters to ensure that the range is flawless and in compliance with industry standards. We also offer customization facilities on the range as per the requirements of the clients. Our toys are stored in the spacious warehouse to meet the bulk requirements of the clients. These are packed using quality material to ensure that the range is safe and free from damages. Our organization has established a strong foothold in the industry under the able guidance of our founder Mr. Anil Jain. His industry experience has helped us overcome all obstacles and garner a vast client base in the industry.
