About Us

Positive Interactive is one of the premier Public Relations and Marketing Communications agencies headquartered in New Delhi, India. Established in the 1997, Positive Interactive has evolved into a full-service, integrated and strategic Marketing Communications (MarCom), Public Relations (PR), Training and Research and Social Media Optimization (SMO) organization in India, providing 360 degree communications solutions to its customers.

We draw on our business experience, industry knowledge, strategic insight and broad capabilities to assist our customers in corporate and brand reputation management. Our services include complete range of public relations and marketing communications, including creative and campaign management, employee trainings, research and other specialized integrated services including interactive and emerging media. We collaborate with various marketing disciplines to create customized strategic and focused communications programmes that exactly match our customers' markets, audiences and communications' objectives.

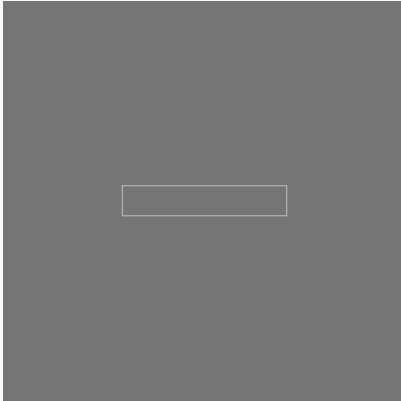

Across our expansive and unrivalled network, the team brings fresh perspective, insight, innovation, global understanding, local knowledge and relentless dedication to each customer assignment. We pride ourselves in being a research-oriented organization that provides our team in-depth knowledge and understanding of the client's industry and environment and market intelligence on recent developments. We study our customer's...
