# Powerpac Engineers

<https://www.indiamart.com/powerpac-engineers/>

Our organization is a distinctive name, engaged in manufacturing and exporting a comprehensive range of pharmaceutical machinery. These machines are acknowledged for their high performance, sturdy construction, easy handling and low maintenance.

## About Us

Established in the year 1992, we, **Powerpac Engineers** are one of the leading manufacturers, suppliers and exporters of optimum quality **Pharmaceutical Machinery**. Our excellent product range has gained huge appreciation from our worldwide clients due to its high performance, corrosion resistance, durability and long working life. These machines are extensively used in pharmaceutical industry. Leveraging on our state-of-the-art infrastructure, we are able to manufacture an exceptional product range matching international standards of quality. Our diligent team of professionals having sound experience of this domain assists us in the effective production of our range according to the client's varying requirements. Our clients are facilitated with highly efficient pre-sales services and post sales services, which are handled by our customer care executives. Further, our transparent business dealings and premium quality products have earned us accolades of our clients. Under the able guidance of our mentor **Mr. Manhar Gajjar**, we have been able to achieve a huge client-base across the globe. His continuous support, effective business strategies and rich experience help us in growing faster towards success.
