

PP Engineering

<https://www.indiamart.com/pp-engineering/>

We, **PP Engineering**, are one of the leading manufacturer, trader, wholesaler and retailer of handpicked quality of **Cup Making Machine, Plate Making Machine, Glass Making Machine, Agarbatti Making Machine, Tea Cup Making Machine and more.**

About Us

Came into existence in the year **2006**, we, **PP Engineering**, are instrumental in manufacturing, wholesaling, trading and retailing a wide assortment of handpicked quality of **Cup Making Machine, Plate Making Machine, Glass Making Machine, Agarbatti Making Machine, Tea Cup Making Machine and more**. Spread over a wide area of land, our well-equipped infrastructure has helped us in ensuring streamlined production of these products. Appreciated for their rich attributes such as superlative performance and less power consumption, these products are available with us in various technical specifications. These machines are easy to operate and require no maintenance. Accurate, safe and timely delivery of these products is assured by our logistic department who make use of wide distribution network, trained drivers and well-connected transportation facility. Total quality management is followed from procurement of raw materials till final dispatch of these products at the customers' end, to ensure that their standards of quality are always maintained at our end. Under the supervision, administration and management of our **Proprietor, Mr. Biswajit Pramanik**, we have attained a new horizon in this domain in such a short period of time.
