About Us

Praba's Vcare Health Clinic (P) Ltd is basically a **private limited** base company, established in the year **2002** at Chennai in Tamil Nadu, India. We are eminent **manufacturer, supplier and exporter** of **Hair Oils, Herbal Hair Products, Hair Vitalizers and much more. We also provide Hair Treatment Services to our clients.** Our products are produce high grade raw materials and ingredients that are sourced by our standard vendors of market who have years of experience and full knowledge in their domain. Our products are of good quality, satisfactory results, reliable and available at reasonable prices. We have hired fully skilled and excellent team of professionals. Our team mainly focused on the quality of our products. We ensure to provide best quality products to our client at reasonable price. Our products are tested on different quality parameters before credited to market. We believe in team work. Our team works with full dedication and passion to meet the goal of organization. Due our strong team of professionals we are able to built a healthy relationship with our clients and capable to meet huge market demands. Today, we have acquired a recognized position in competitive market and reach to this point of success. All this became possible with the support of our mentor **Mrs. Carolin Praba**. She give her hundred percent in the success and growth of our company. Her management skill helps us in managing our entire business. She...
