

Prakash Metals

<https://www.indiamart.com/prakash-metals/>

Manufacturer and supplier of complete range of pressure cooker parts such as weight valve, safety valves, pressure cooker handles, pressure cooker vessels, pressure cooker gaskets, pressure cookers, pressure cooker safety valves etc.

About Us

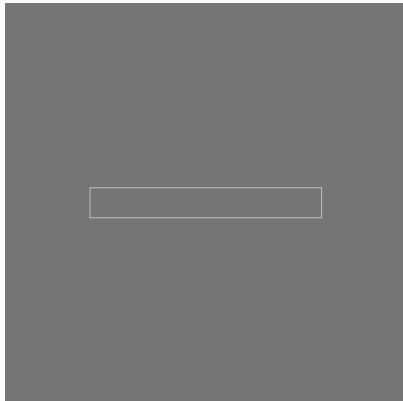

Prakash Group forayed into business in 1983. The group initiated its business operations by engaging in the manufacturing of pressure cooker parts as Prakash Metals. Through introduction of an innovative line of Pressure Cooker parts, Prakash Metals created a niche in the home appliances and kitchenware industry. Prakash Metals is an industry-leading engaged in pressure cooker parts manufacturing eclipsed in weight valve and safety valve. The company undertakes manufacturing of pressure cooker parts for pressure cookers having 1 liter to 110 liter capacity. All parts embed superior design features, and are delivered at very optimum prices.
