Prapti Capital

<https://www.indiamart.com/prapti-capital/>

We are leading financial advisors in our field. We are in this field since 2000 and after lots of learning and experience in this field, we now claim to be the best advisors in our field.

About Us

Prapti Capital demonstrates its commitments to clients through its emphasis on excellence, integrity and ethical behavior. Prapti Capital was formed with one basic principle in mind to create a professional workforce of youngsters to provide fair and transparent prices and services to the clients. High standard of service with true professionalism have been woven into the fabric of the company. We have built the organization on nurturing long term relationships with our clients and employees. Company has been built on trust and willingness to work together and achieve greater heights and success. The emphasis has been on understanding the financial goals and needs of the clients and empowering them with the right tools, education and research thereby helping them achieve their goals. We continue to focus on what we do best-delivering powerful, easy-to-use trading technology, supporting active traders over a wide range of products, and teaching the world a smarter way to seek risk management and spot potential opportunities. We continue to challenge our clients to learn more, get smarter and make more informed decisions. We are a team of dedicated, experienced stock market professionals committed to deliver world-class services at the most competitive rates.
