<https://www.indiamart.com/praveen-hydrotech-industries/>

Our company is the most prominent manufacturer, exporter and supplier of LDPE Gel Cool Packs and HDPE Bottle Cool Packs. These packs are precisely manufactured by us as per the set industrial quality norms and requirements of the clients.

About Us

Praveen Hydrotech Industries is the **sole proprietorship** based company that commenced in the industry as a **manufacturer, exporter and supplier** of **LDPE Gel Cool Packs and HDPE Bottle Cool Packs**. We are the leading company that was established in the year **2014** at Hyderabad. Our products are highly demanded and acknowledged by the customers for their premium quality, fine finishing, availability in various sizes, total customization, reasonable rates and many other features. Also, we keep many demands and needs of our customers in our mind while manufacturing and offering these products to the customers. Apart from this, we follow industrial quality norms and parameters throughout the process right from the procurement of material till the packaging. We are the most prominent company that provides best quality products to the customers at market leading prices. We are exporting our products to Malaysia, Pakistan, Indonesia, Singapore and Asian Countries. Besides this, **Mr. P. Praveen Kumar** has been supervising our company for many years. He is the CEO of our company and he has contributed a lot in the success and achievements of our company. His years of experience and rich industrial knowledge enable him to give us the right advice at the right time. Moreover, he guides the team members in most efficient manner by using the best part of his skills. **Praveen Hydrotech Industries** is client-centric...
