## About Us

We, “**P.R.D Cottons Group Of Companies**”, are a prominent firm engaged in rendering high quality **Raw Cotton & Fabric Testing** services to the clients. Our services are widely appreciated by the clients for their effectiveness, reliability and timely execution. Our product range includes **Raw Cotton, Processed Cotton, Cotton Yarn, Cotton Linter and Cotton Waste**. We are a sole **Director** (individual) organization, situated at Mumbai (Maharashtra, India). For offering superior services, we are also supported by world class warehousing and testing unit. Our factory is installed with necessary tools and equipment, which helps us in accomplishing every task within the set time-frame. We have also developed a well-connected network for accessing information related to daily market reports, important government policies, cotton crop and cotton availability. We are led under the able mentor-ship of our, '**Mr. Manish Daga**', who holds years of experience in the domain. With his extensive domain knowledge, sharp business acumen and relations with farmers, we have successfully carved a niche for ourselves in the market.
