We are well-established as a renowned **manufacturer, wholesaler** and **retailer** of **Winter Jacket, Woolen Cap, Woolen Gloves, Woolen Socks, Woolen Knee Cap** and **more** products that suits the varied requirements of the customers. Our range of products is quite remarkable and is highly admired by our customers due to its supreme quality and attractive design. We have made a humble beginning with a wholesale outlet with the name of New Star Enterprises from Mount Road. After a span of years in that business, they had a brainwave of graduating into retail business, and hence Pretty Collections was born. The retail shop with a combination of Travel Needs and Winter Wear is one of the first of its kind, catering to its customers in and around Chennai. Now after some years sojourn in retail, they thought it was high time, that they had a branch in the fast developing OMR, and thus began their second showroom in the name of Traveler's Empire in OMR.
