<https://www.indiamart.com/prime-engineeringbengaluru/>

We are leading manufacturer and supplier of **Hammer Grinder Beaters & Sieve, Pulveriser Beaters, Pellet mill - Die cleaning Tool & Shear pin, Ribbon Blender, Paddle mixer, Vibro sifter** and many more.

## About Us

**Prime Engineering** established in the year **2010** is the leading organization in the market. We are based out as a **Sole Proprietorship** firm and located our operational head at **Bengaluru**. We are indulged in **manufacturing** and **supplying** wide range of **Industrial Conveyor, Commercial Flange, Mold Base, PVC Pipe Accessories, Crane Spare, Vacuum Tray Dryer, Die Set** and many more. It is not only because of the parts, the high grade materials or the good facilities used to produce Prime machines. It is because of the human factors created by the magical delicacy of proficient engineers who have established quality standard by repeating numerous tries and errors in order to materialize both self-respect of prime itself and satisfaction of customers. Prime Engineering could grow and be acknowledged in the Chemical/ Food/ Feed/ Pharmaceutical/ Nutritional/Engineering market for a long period of time thanks to research and development, continuous improvement, endless efforts made for precision and management philosophy of providing devoted service. Such a corporate philosophy of Prime Engineering could be firmly compacted by creativity and devotion of not only the founder who established Prime Engineering but also of all the employees.
