About Us

Primetech Traders commenced its business in the year **1992** in the industry to provide best quality products and reliable services to its customers from diverse industries. With its operational unit located at **Chennai, Tamil Nadu (India)**, our company is having its all business operations as a **Partnership** based business. We are the leading **wholesaler, trader, exporter, dealer, stockist, importer and supplier** of **Air Cylinder, Control Valve, One Touch Fitting, Pneumatic Fitting** and many more to our customers. We are also engaged in **providing service** like **Maintenance Service** in industry at leading rates. Our products are developed by our vendors under suitable conditions by our experienced research and development personals. We always take quality measures and we make stringent tests of each and individual piece of our product range to check the defects. **Mr. Tahir M. V.** is the **Partner** in the company and is efficiently looking after all leading affairs of the company. He possesses excellent marketing skills and owns a credible market reputation for himself. He regularly arranges presentation and seminars for the company employees to keep them updated of changing market policies and practices. He regularly visits our production unit and follows up with the running orders. This practice helps us in administering a sense of supervision on overall business tasks. Our manpower...
