

Prince Industries

<https://www.indiamart.com/princeindustries/>

We are engaged in manufacturing and supplying of a wide range of Racks and Shelving Systems. These products provide perfect solution for storage and display of Commercial and Household Products.

About Us

Based at Ludhiana, Punjab, India, we, “**Prince Industries, Ludhiana,**” are one of the leading manufacturers and suppliers of a wide range of **Racks and Shelving Systems** which is of superior quality. Unique range of racks offered by us is portable, offers better display of products and can easily carry load. These products are carefully manufactured using quality tested stainless steel, mild steel and metal alloys. Due to the unique features of high strength, rugged construction and dimensional accuracy, our products find application in different sectors. Backed by state-of-the-art manufacturing & packaging facilities along with experienced workforce, we are able to offer products at affordable prices. We have an in-house customization facility which enables us to our range as per the demands of our clients. Experts of our organization work on a client-centric approach in order to provide scientific and rational solutions to our clients. Our Chairman cum Managing Director, **Mr. Harwinder Singh**, has made a tremendous contribution in manufacturing and distribution of racks for the past 46 years. The unique range of Racks we offer ensures comfort, reliability and portability, which has assisted us in dealing with a large number of reputed clients.
