About Us

Pristine is a Management consulting firm Focused at Entrepreneurs? Agenda. We offer solutions & services for Entrepreneur CEOs to effectively manage their opportunities and challenges. We provide profit centric business performance improvement program. It uses globally proven financial and operational techniques for performance improvement on a continuous basis. Based on these techniques, it identifies constraints in client business which may be affecting the profitability. We not only identify what to do improvement but also handhold client team to implement the same till the change is absorbed in client organisation like its DNA. Our services offered are carefully tailored - blending hard-core professionalism with dedicated client orientation. The value based services provided to clients are highly personalized, swiftly effected and, more often than not, are designed to suit specific business needs and are simple to implement. Maintaining a service at this level requires a close working relationship between the client and the company, a quality Pristine consistently assures. Pristine clients get the advantage of broad range of experience gained by serving Multinationals, Foreign & Indian businesses in the field of Hospitality, Information Technology, Education, Design, Defence, Electronics, Electricals, Healthcare, Trading, Sugar, Auto Components, Consulting and NGOs. Pristine is member of Confederation of Indian Industry (CII), Consultancy Development Center (CDC), and...
