About Us

ProCitius Research is a part of the Sanmar Group, one of India's most respected business houses, with annual revenues in excess of \$250 million. The Sanmar Group has a history of successful international joint venture partnerships, including some with large multinational corporations belonging to the Fortune 500 list and others with smaller, niche technology leaders. Some of these partnerships are more than 25 years old. A number of the top 10 pharmaceutical companies in the world source chemistry from us. We also work with many biotech companies. Whatever the size of the company we partner, we ensure equal attention to detail and delivery, and strive to meet the expectations of our customers consistently. We are not a pharmaceutical company, a fact that guarantees that we complement your efforts and do not compete with them. Our state of the art chemistry laboratories are located in the emerging outsourcing hub of Chennai, the capital of Tamil Nadu state in south India. As a port city, Chennai is well connected by road, sea and air, enabling timely procurement of raw materials by us and shipment of the finished product to our customers. Our integrated facility (from milligrams to multi kilos) and our flexible partnering model will help build a relationship that suits your needs. Our projects are staffed by scientists trained in reputed institutions around the world. Your project will be assigned to an experienced team leader who will directly interact with your staff...
