## About Us

Established in the year 1994, we at Product Promoters Company are one of the eminent manufacturers, suppliers of a wide range of industrial chemicals, which are used in varied applications. Some of the chemicals include Pharma intermediates, Adhesives & resins, Inorganic chemicals, Textile Auxiliaries, Paper And pulp Auxiliaries, Paint Additives, Esters, Solvent recovery, etc.

Operating under the profound guidance of our mentor **Mr. Nagaraj K**, we have established our foothold in the global arena. With our aim to meet the expectations of our client's in terms of maintaining consistent quality in our range of chemicals, we have directed our entire efforts towards achieving it. Empowered with technically advanced facilities and superior research & development wing, we offer chemicals that are a mark of impeccable quality.

Further our dedicated work force, works with full zeal and commitment to fulfill our goal of perfection and customer satisfaction. Additionally, to enhance our business activities, we are in a process of setting up another manufacturing unit. In addition to that we also perform contract manufacturing and research and development projects for different companies.
