## About Us

**Progold Industries** is Delhi based firm and intricate in manufacturing, supplying and trading of Zinc and brass bathroom fittings and accessories. Our core service is **pressure die casting** of all types of **zinc products** , with specialization in **bathfitting handles**. We offer our clients an extensive range of **Zinc Bath fitting Handles, Bathroom Fittings and Accessories, Designer Vanity, Sanitaryware, Stainless steel Sinks, Wall and Floor Tiles, PVC Cistern and Seat Covers** . In addition of this, we also provide Shower Panel and Multifunctions, Shower Enclosers, Bath tubs and Whirlpool systems and many more. These products are manufactured making use of optimum-grade basic material and advance tools and techniques. Our quality executives test these products on various quality constraints to assure the exceptional quality and performance. In addition to this, these products are widely used in bathrooms. Customers can get these products from us at friendly pocket prices.

**Progold Industries is authorized dealer of Century Bath Fittings** Over the years of participation in this domain, we have created well-resourced infrastructure, which is armed with advance machinery and facility for providing the optimum quality products to the patrons. Our main aim is to provide extreme level of satisfaction to our prestigious customer. We assure the on time delivery of these products with full reliability and safe...
