Protec Aqua Solution Pvt. Ltd.

<https://www.indiamart.com/protecaqua/>

We offer total water solutions for industry, homes and communities. We are one of the suppliers and service providers of Industrial Products. We use our wide range of processes with an integrated approach to deliver total solutions for every market.

About Us

Established in the year **2010**, ‘ **Pro- Tec Aqua Solutions Pvt. Ltd.**’ is one of the promising suppliers, trader, manufacturer and service providers of a comprehensive array of **Industrial Products**.

Sourced from established vendors of the industry, our quality proven products and services meet the needs and demands of corporate, industrial, commercial & domestic markets. Our commitment towards high quality, cost effective pricing and timeliness have helped us in winning the trust and confidence of valued customers. We also provide after sale service to our product.

Supported by rich vendor base and untiring efforts of our workforce, we have been able to offer unmatched range to the clients. Our vendors also support us in executing even the bulk demands of the clients within stipulated time frame. Moreover, we offer AMC for installation, repair and maintenance of the range. Making use of advanced tools and technology, our professionals timely execute the services so that clients get benefited with the designed functions of the range. The team also helps us in offering consultancy services for creating highly effective solutions to air and water problems.

Highly skilled and experienced, our professionals also support us in ensuring delivery of technically advanced range that is in line with set industry standards. Together with their expertise and rich vendor base, we have been able to serve our clients in an...
