PS Coating Solutions is a Mumbai based company, that has been in continuous service since **2011**.

About Us

Established in 2011, **PS Coating Solutions** opened with the vision of being the best in the industry. With the feeling that we have accomplished that goal, we proudly serve many repeat customers, who come back for exceptional quality, timeliness and incredible service.

Committed to quality and customer service, our technicians are continually upgrading their skills for safety, surface preparation and coatings application procedures. From small jobs to large-scale contracts we take pride in our workmanship and strive to surpass customer expectations.

All of our equipment is designed and maintained by our in-house mechanics group and is ready for any challenge. We can respond quickly to meet budget and time constraints.

Whether in our own shop facilities or on your site, our experienced crews and custom blasting/painting equipment are ready to meet any of your protective coating and lining needs.

All projects begin and end with clear communication. We'll take the time to meet with you, assess your needs and offer the best solutions. You'll be kept updated and informed throughout the duration of your project. And once the job is done, we'll follow up to make sure you're completely satisfied.

Once a project begins, three key elements are combined: top-quality raw materials, modern equipment, and superior workmanship. As each step of the work proceeds, quality control checks ensure that the...
