About Us

We, PSJ Jewellers Private Limited, are one of the distinguished **manufacturer,wholesaler & retailer of designer jewelery**.These expert manufacturers are well-versed with every aspect related to the process of developing the precious jeweleries. Our range of classy designs is certified by hall mark.

Our range is highly demanded across the country for its smooth finish, fine polish, intricate artwork, perfect texture, scintillating luster and smooth edges. While executing the process of development, our vendors make sure to give thorough emphasis on these properties and thereby offer an intricately designed and polished range of products. In addition, our gigantic range is stringently tested by our quality controllers for cut, clarity, finish and texture. Due to our adherence to such parameters and ethical business policies, we have gained the confidence of our widely spread client base.

Under the able guidance of our owner, **Mr.Sampat**, we have carved a niche for ourselves in the domestic market. His vast industry experience and sharp business acumen are instrumental in our phenomenal success.
