

# P. S. L. Enterprise

<https://www.indiamart.com/pslenterprise/>

**PSL Enterprise** are pleased to introduce ourselves as the renowned service provider and manufacturer of good quality in-house designed MS fabrication, SS fabrication, turnkey projects and MS & SS equipments.

## About Us

Established in the year **2003**, we, **P. S. L. Enterprise**, are one of the prominent names engaged in offering **MS fabrication, acrylic fabrication, SS fabrication and Machine Reconditioning services**. We are also a renowned manufacturer and exporter of **MS & SS equipment, Industrial Machine and Spare Parts** such as injection mold/dies, cutting and stamping dies plastic scrap grinders. All these products are manufactured using superior quality raw material that is procured from the reliable vendors of the market. Apart from these, we are also specialized in undertaking turnkey projects for plastic processing unit. Our entire range is internationally acclaimed for its premium quality and is extensively used in diverse industries to serve various applications. To offer these products and services, we are supported by a vast infrastructure, well-equipped operational units and testing labs. All these units are manned by trained professionals, who have years of experience under their belt. Apart from this, our separate R&D unit helps us in designing and modifying our range in most innovative manner. Under the able guidance of our founder, **Mr. Pradeep Lade**, we have carved a niche for ourselves. He has an extensive industry experience of 20 years and vast knowledge about the market that help us to provide a superior range of products and highly competitive deals to our clients.
