## About Us

Established in the year 1990, we “**A.P. Traders, Ahmadabad**”, have carved a strong niche for ourselves in the market arena of exporting, supplying, wholesaling, retailing and trading qualitative range of types of **Basmati Rice, Non Basmati Rice, Indian Pulses, Sugar, Cooking Oil & Indian Grains**. Our expertise in the understanding the demands of the consumers of these products and what the patrons want has helped us win a solidified customer base largely spread all over the Indian subcontinent. These grocery products are processed with the practice of complete ethics and keeping the scope of any sort of adulterations at bay. We have a proficient team of experts who are focused in processing qualitative products only, which keep the client satisfied and doesn't put them at any kind of health or monetary risk. These professionals are proficient enough in marking out what is of good quality and what is not. All our products before being packed are quality tested by our quality controllers' team. We make sure that all our business practices are with complete legit ethics. Our company has manufactured this wide and expanded range of products after understanding the needs and demands of the customers looking for the same in the markets. Derived from some of the best farms and from reliable source of vendors who are actually farmers, all our pulses, range of wheat flour, basmati rice and non basmati rice are completely natural in the content of...
