Punit Brass Ind

<https://www.indiamart.com/punit-brass-industries/>

We are a top-notch organization engaged in manufacturing and supplying Bolts, Nuts, Screws and Clamps. Our entire range is widely known for its dimensional accuracy, precise designing and excellent finish.

About Us

Established in the year **1994**, we, “**Punit Brass Industries**” are one of the leading organizations working as a manufacturer and supplier of **Bolts, Nuts, Screws and Clamps**. These products are widely acknowledged for their dimensional accuracy, precise designing, excellent finish and longer functional life. Further, these are manufactured in compliance with both national and international quality standards. Further, we are capable to deliver products in both standard and customized specifications at competitive prices making us one of the most preferred choice. With the support of our competent and experienced professionals, we have been able to create a favorable position for ourselves. They work hard to attain maximum client satisfaction through their endeavors. Further, with our wide range of products, we are able to cater to the needs of various industries. Through our customer oriented approach, we have been able to maintain successful market position. Under the guidance of our mentor, '**Mr. Punit Mataliya**', we have been able to come up as a favorable choice of our clients. His ethical business norms and policies have been the main reason for our faster growth in the industry. His expertise in the domain has helped her in garnering huge clientele across the nation.
