Purandar Investment (p) Limited

<https://www.indiamart.com/purandarinvestment/>

Purandar Investment, based in Kolkata, specializes in distributing specialty chemicals, additives, pigments, and polymers to MSMEs in the Eastern Indian Paints, Inks, Construction Chemicals, Rubber, and Footwear Industry since 1988.

About Us

Purandar Investment (P) Ltd., established in 1977 in West Bengal, India, is a Kolkata based Distribution house dedicated to marketing and distributing a diverse range of industrial chemicals, pigments, additives and polymers for the Rubber, Footwear, Paints, Printing ink, Plastic, and Construction Chemicals industries. We take pride in representing our Principals who are leaders in their respective fields of business / product lines.

We act as an interface between our Principals and the MSME customers throughout Eastern India. It is thanks to the support of our respected Principals and most valued customers that we have achieved a reputable position in the market.

At Purandar Investment (P) Ltd., our dedicated team is committed to fulfilling the ever-growing market demands within specified timelines, striving to meet customer requirements in every possible way. We firmly believe that our team is the cornerstone of our success and growth. They have consistently put in 100% effort to achieve our primary goal of "Customer Satisfaction"
