We are a reliable and renowned manufacturer, supplier and service providers of turnkey solutions, products and services. Our domain lies in instrumentation, controls systems & automation and other emerging technologies.

About Us

Established in the year **2000**, we “**Pyramid Automation**” are a prominent manufacturer, supplier and service provider of cost effective and comprehensive solution in the domain of Controls Systems & Automation, Instrumentation and other Emerging Technologies. We have the requisite technologies and facilities to meet the growing demands of our clients. To meet their exact demands, we take continuous training from leading multi-national companies. We belongs to **Pyramid Group** of Companies that have 30 years of experience in the domain of manufacturing machine tools and technologies. Years of experience in advance digital controls and automation has enabled us to attain optimum productivity and increase the quality standards of the products. As a result of this, we have been able to build a client base that includes esteemed names like Raymond Ltd.; Denim Division, Yavatmal; Raymond Ltd. Chhindwara; Alok Industries Ltd., Vapi and Yamuna Machine Pvt. Ltd., Vapi. The able guidance and ethical business approach of our mentor, **Mr. Rakesh Patil**, has enabled us to create a niche for ourselves. He ensures that all the client details are fulfilled in order to achieve our organizational goal of maximum satisfaction.
