We are one of the eminent manufacturer and supplier of wind, solar hybrid systems and solar photovoltaic power plants. Additionally, we also offer installation and erection services for these industrial plants.

About Us

We, **Qubic Suntrack Energy System Pvt. Ltd.**, are one of the distinguished organizations, engaged in the manufacturing and supplying **Wind & Solar Hybrid Systems** and **Solar Photovoltaic Power Plants**. The reliable and effective power solutions are convenient alternatives for non-renewable source of energy.

Our organization is registered under Ministry of Non-Conventional Energy Sources New Delhi, Maharashtra Energy Development Agency Pune, Goa Energy Development Agency Goa and Gujarat Energy Development Agency Gujarat (Government undertakings). Our competent professionals make sure that the products and services are at par with the industry standards and meet the expectations of our clients. With their support and dedication, we have undertaken various projects of installation & erection of wind & solar components of 169.5 KW. We are also renowned as one of the MNRE & MEDA registered organizations in renewable energy and are a franchise for Square Engineering Pvt. Ltd.

Our business operations are headed by **Mr. Deepak Kelkar**, who has many years of industry experience and possesses thorough knowledge about this domain. Under his able guidance, we have emerged as a globally authorized name for installation of solar plants.
