<https://www.indiamart.com/radadiya-industries/>

We are the manufacturer and supplier of **CNC Lathe Machine**, Numerically Controlled CNC Lathe Machine, Computerized CNC Lathe Machine, CNC Lathe Machines, Heavy Duty CNC Lathe Machines, Extra Heavy Duty CNC Lathe Machine.

## About Us

**Radadiya Industries** was established in the year **2003** as a manufacture and supplier company. We are a sole proprietorship firm engaged in offering a wide range of **CNC Lathe Machine**. We are eminent in offering customized solutions. Our robust infrastructure allows us to fulfill large and bulk quantity orders within the stipulated time. It also helps us in offering quality tested products to our clients across irrigation, construction and other sectors. The orders are timely delivered via road, through our wide distribution network in all parts of the country. Clients can make payments for the orders through cash, cheque or online. Our mentor, '**Mr. Jayshukh Radadiya**' has always supported us and motivated us to perform up to our true caliber. He has guided us toward the path of success through his experience and in-depth knowledge of the industry.
