

Krishna Dairy

<https://www.indiamart.com/radhaexports/>

We have established ourselves as **leading exporters of different kinds of quality Dairy Products. Purity, taste and complete nutritive content** are some fine advantage of these products. We charge **competitive rates.**

About Us

Radha Exports has created a foothold in the market and **is involved in exporting a quality range of dairy products**. Our excellent quality products include **Skimmed Milk Powder, Whole Milk Powder, Dairy Creamer, Butter Oil, Cheese, Sweet Whey Powder, Lactose, Desi Ghee**. These are processed with the help of fine techniques and using raw chilled milk procured from industry certified sources. Our **industry leading working procedures, valuable experience and strong business connections** help us to monitor and react timely to the varied and constant changes in the market. We **procure remarkable quality products** for the benefits and uses of our clients. We source the products only from the best manufacturers of the dairy products. Further, our **state of the art warehouse is capable of storing large quantities of products**. Moreover, our experts are involved in **sourcing products of international standard and they also test these products on different quality parameters**. Plus, our spacious processing **unit consists of highly advanced and imported machinery**; which is **always required for mixing and heating processes**. We are able to process milk products in bulk and we cater to customers' varied necessities. These are packaged in quality materials so that the purity and nutritive content is maintained. **Mr. Bharat Aggarwal, our CEO** has excellent leadership qualities and nearly 17 years of experience in the...
