

Raghukul Marketing And Engineering Services

<https://www.indiamart.com/raghukul-marketing/>

We are one of the distinguished organizations engaged in manufacturing of **Refractory Anchors & Stainless Steel Fiber.**

About Us

Established in the year **2005**, we, **Raghukul Marketing & Engineering Services**, are a reputed firm involved in manufacturing, supplying and trading **Refractory Anchors such as V Shaped Anchors, UV Shaped Anchors, Y Shape Anchors, PVC Caps**, etc. These products are developed using high grade stainless steel & employing latest technology. Following TQM policies thoroughly further ensure their compliance with the international quality standards. Extensively demanded in cement, steel, engineering and construction industries, these products are available in numerous grades and specifications. Offered at competitive prices, these products are acknowledged for their durability, flawless finish, dimensional accuracy and anti-corrosion properties.

Owing to our quality management system, we have been able to come up with a quality adhering range of products for our clients. Our ultramodern infrastructure facilitates production in bulk capacity so as to meet the urgent requirements of our clients within the committed time frame. Further, the experts in our team incorporate the specifications of our clients while undertaking manufacturing process. Moreover, owing to our fair business dealings, cost-effective prices and easy payment modes, we have been able to attain maximum client satisfaction.

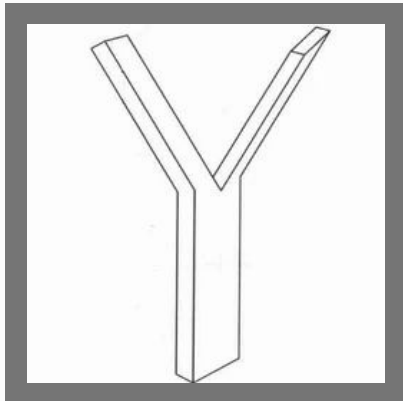

Under the visionary guidance of our manager, **Mr. Gopal Siroya**, we have established new and...
