## About Us

Rahayu Marketing established in 2012. We are leading Supplier, Manufacturer and Supplier of Biometric System, Burglar Alarms, GPS Tracker, Video Door Phone etc. Working on strong ethical values, we ardently committed for the fair and true business deals. Our automatic machines are considered matchless example of modern engineering and they all work with the least consumption of power. The products are procured from the most reckoned vendors in the respective domain. The entire range is developed using quality raw materials, latest technology and the most advanced machines. The company is acknowledged for providing all our products and solutions at a very competitive price. All these factors have helped us gain a huge client base over the years.

Our company is empowered with qualified and experienced team of executives, managers, engineers, and project leaders who are working in this domain for several years. They make sure that all business activities should be conducted with proficient manner to attain total client satisfaction. Our team works day and night for achieving the growth and success of our company. Further to establish mutual and profitable relationship with customers, our marketing team keeps regular contact with them and take their feedback in order to improve the quality of products. Such qualitative approach towards business and customers has helped us in acquiring great height of success in this competitive market.
