We are a renowned manufacturer and wholesaler of a broad array of Plastic Office Stationery. These products are highly acclaimed for their features like fine finish and resistance to heat & moisture.

About Us

Established in December **1991**, we, “**Raja Plastics**”, are a partnership constitution, engaged in manufacturing and wholesaling an excellent range of **Plastic Office Stationery**. Our product line is highly acknowledged across the domestic market for its features such as perfect finish, tear resistance and portable. We strive hard to understand particular demands of our clients and meet these efficiently. The raw material, which we use in manufacturing our range is sourced from certified and known vendors. We have developed a widespread warehouse and a packaging unit so as to keep the quality of our stored products intact. Our team is capable of meeting the urgent orders placed by our valuable clients within the promised time period and without compromising on the quality aspect. We also offer the facility of customized packaging as per the specifications detailed by our customers. From the past 4 years, our range of products is used in corporate houses such as **Zicom Securities and Services, BARC, L & T and Victor Industries**, to name a few. Besides, we supply on a constant basis to known wholesalers like **Shah books mfg. Co., Prakash Stationery Stores**, and many more. Our products are also supplied to **Dhule Sahakari Co-op., ABB, Rashtriya Chemical Fertilizers, Bank, Bharatiya Yuva Congress Mandal, BPCL, Reliance Industries** and many more on third party basis. Led under the able guidance of our mentor, 'Mr....
