About Us

Rajasthan Marbles was founded on 1st September 2001 by two partners named as Mr. Deepak Kumar Singh and Mr. Jay Narayan. When they started this business at Dimna Road, Mango, It was almost first fully marble shop at Jamshedpur. At that point of time Dimna Road was not completely established. But with the help of advertisement, marketing and quality products, we were able to gain the market.

In 2005, Rajasthan Marbles was converted into proprietorship under Mr. Deepak Kumar Singh. Since then, it has been growing like anything, and we have become 1 source for Marbles, Tiles and Granites. Our customer include many big builders, as well as corporates and retail customers. Over the years, our products are known for its Quality, perfection and durability.

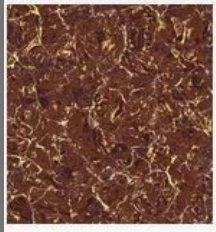

We are specialized in Products like Marble, Granite, Sandstones, Slate stone, Limestone, Quartzite, Bidasar, Flooring Patterns, Handicrafts, Table Tops, Stone Fire Place, Stone Pillars, Stone Fountain, Stone Figure, etc. As a global marble and granite slabs exporter we cater to large number of customers round the world and work to ensure that best products are delivered at the best price rates. Customer satisfaction is our best motive and we strive to meet up to our expectations.
