We are one of the prominent processor, supplier and exporter of Basmati Rice that is reckoned for its high nutritional value, rich aroma, taste and flavors. Our entire range is hygienically processed and packed with precision.

About Us

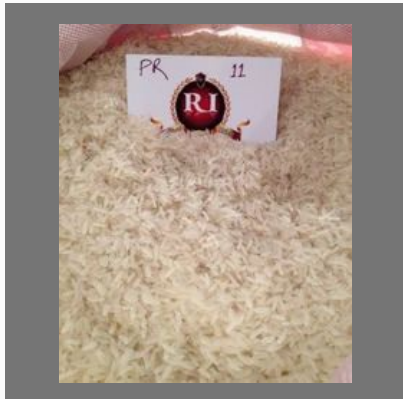

Incorporated in the year 1970, at Karnal, Haryana India, we, “ **Rajesh Industries Limited,**” have established ourselves as a prominent processor, supplier and exporter of Basmati Rice. Our portfolio includes **Sugandha Steamed Basmati Rice, Sharbati Steamed Basmati Rice, Pusa (D.B.) Raw Basmati Rice, Traditional Raw Basmati Rice, Sharbati Raw Basmati Rice, Organic Basmati Rice,** and many others. We started our business operations with the sole motto of supplying the delicate and nuanced flavour of the Basmati Rice to every corner of the globe. Today, our dedicated efforts reap fruits for us and we have earned a huge clientele in almost every continent of the world including **Gulf Countries, Australia, New Zealand, European, North African and Asian countries like Pakistan, Sri Lanka.** We own an outstanding infrastructure that boasts of ultra modern machinery and a team of experienced personnel to process our entire range in an efficient manner. Packaging, undoubtedly plays a pivotal role in our industry, therefore we offer our entire array in Hessian Bags of standard weight, which is tagged to maintain traceability of the sources. Our organization is the brain child of **Mr. Rajesh,** a visionary entrepreneur who hold extensive knowledge in the discipline. With his dynamic management and relentless efforts, he helped the organization to transformed a small shop into acclaimed large business...
