<https://www.indiamart.com/rajeshitools-pune/>

We are the Manufacturer, Exporter, and Importer of a vast array of Dispensing Machine, Coating Machine, and much more. These products are known for their low maintenance, corrosion resistance, dimensional accuracy, and rugged construction.

## About Us

Established in the year **2005**, "**Rajeshi Tools**", are engaged in Manufacturing, Exporting and Importing a wide assortment of **Dispensing Machine, Coating Machine, and much more**. These products are manufactured using excellent quality material that is sourced from most trusted and reliable vendors of the market. The offered range is highly appreciated for longer service life, high flow rate, dimensional accuracy lightweight, rugged construction, low maintenance, and corrosion resistance. All these are widely applicable in the automobile industry for locomotive, marine & structural painting purposes. Moreover, to cater to the varied needs of the customers, we offer our product-line in various sizes, designs, and specifications at nominal prices.

We have constructed a multifaceted infrastructure facility at our premises, which enables us to perform all our business tasks in a well-coordinated way. This facility is empowered with high-tech machines and advanced technology that are essentially required in the production process. A diligent team of professionals is hired by us, who accomplish their tasks in a commendable way and helps us in offering an impeccable array of products to the clients. The quality controllers of our team stringently inspect the offered range on certain parameters of quality so as to ensure its flawlessness. Furthermore, to ease out the tedious process of monetary transactions, we accept payments via various...
