

Rajesh Trading Company

<https://www.indiamart.com/rajeshtrading-company/>

We are a leading trader of an exclusive collection of readymade apparels. These products are highly demanded for their enticing colors, designs and patterns along with high wear and tear resistance and color fastness.

About Us

Established in the year, **2011**, we, “**Rajesh Trading Company**” are an eminent trader of an impeccable collection of **Readymade Apparels**. Our superior quality product-line consists of a wide range of **Pajama, T-Shirts, Bermudas, Track Suits and Capris**. These products are manufactured in compliance with the recent fashion in vogue, by our vendors. Furthermore, these products have anti-shrink and skin friendly texture. Moreover, this product-line is widely demanded by the customers for their availability in a plethora of sizes, color schemes and designs. We are supported with a team of competent and able workforce, who procure an unsurpassed range of products. These diligent employees work in constant contact with the clients to offer them products as per their exact specifications and requirements. In order to procure premium quality products, we have close ties with the certified vendors in the market, who manufacture our range of products at par with the fashion trends. Furthermore, these products are checked on diverse parameters to conform their superior quality and zero defects. These products are stored in an orderly manner at our spacious warehousing facility, which enables us to deliver the consignments at client's destination within a stipulated time line. Our strong financial position, customized solutions and transparent transactions have enabled us to enjoy the preference of our loyal customer...
