About Us

Mr. Raj Saini, the Managing Director of Raj Sales Corporation, has achieved a benchmark position in the industry by **trading, supplying and exporting** an exclusive array of **Safety Goods and Products**. Our range comprises of Safety Shoes, Safety Gumboots, Safety Helmets, Metal Detectors, Electrical Goods and many more. Since our establishment in the year **2012**, we have been working towards the attainment of complete customer satisfaction which separates us from our competitors. We have a reputed vendor base which is selected by our highly experienced team of professionals based on their previous track record and quality commitments enabling us to provide a range of products that successfully meets the demands and expectations of the customers. Can supply only in Chandigarh, Haryana, Punjab, Himachal, Jammu & Kashmir. Besides, we follow a professional and ethical business approach which makes us a reliable company amongst the customers. All the products are well tested at our testing facility as per standards before they are finally dispatched into the market. Our products are offered at very reasonable prices and are delivered within the stipulated time frame. We cherish our association with vendors of high repute, who make use of cutting edge technology and advanced machinery ensuring the production of unmatched quality products that deliver robust performance. Our products have accurate dimensions and are...
