## About Us

“**Blossom**” was established in the year **2000** as a leading **manufacturer** and **supplier** of **Ladies Fashion Earrings, Ladies Fashionable Bangles, Indian Jewelry, Men's Imitation Jewellery** and **Ladies Necklaces**. Our designer collection of ear rings is characterized by very trendy and contemporary designs. Created out of different precious metals these earrings are encrusted with precious stones and gems. These can be used for traditional wear and can even carry a modern look. Our products are lightweight and admired for their exclusivity, uniqueness and optimum finish.

We emphasize on providing products made with premium quality raw material, sourced from the certified vendors of the market. As these products can be worn on every special occasion, so these are highly appreciated among the female customers of all age groups. Our products are easy to maintain, provides ethnic looks, durable and can be availed at reasonable prices. The creative designers of our organization focus on designing products as per the Indian traditions so as to add rich appeal to the wearer. Further, these products are quality tested on various parameters that ensures their purity. We associate with certified market vendors to ensure the standard quality of procured raw material. Moreover, we focus on offering easy payment facilities and customized solution to the clients.
