## About Us

'ZIM' today is one the most prominent brands in the world of bathroom fixture in India. It was in **1973** that the manufacturing company - **Zim Aqua Faucets** - was set up under the guidance of **Mr. J.P. Gupta**, a great visionary and adept technocrat in the field. Though the beginning was in very modest level, because of the intellectual acumen, farsightedness, innovative steps, persistent endeavors and noble outlook to serve the customers and satisfy their tastes and aspirations matching with the ever-changing trends and fashions, the company could not only create a distinct place, but also grow up to new levels of excellence within a short time.

'ZIM' products, manufactured in conformity with latest technology and international standards, in different models and collections, are popular for their excellent workmanship, flawless performance, long durability and everlasting aesthetic appeal. Today the range of products encompasses as many as ten innovative and charming collection viz. (**Silver Dawn, Accent, Octivia, Nexia, Cartier, Astra, Dominaque, Sonata, Innova, Getz, Endeavour, Ikon, Stella, Economy, Viva, Spark, Elentra, Verna, I-10, Swift, I-20, SonataCrystal, Alto, Ritz, Polo, Febia, Fortuner, Jazz, Beat, Glass Shelf, Bathroom Accessories, Bathroom Sets**) for the clients to choose from according to their varied needs and tastes.

The company has at its disposal sprawling plant in the...
