About Us

A collection of art featuring illustrations, and paintings of Comic Art, Contemporary Art, Abstract Art, Realistic Art, Classical Art, Tanjore Art, etc, from the upcoming as well as India's most renowned Artists. Rang, explores the perception of art and the identity of an artist through and in the contemporary society. An art displayed in the gallery is, the use of skill and imaginations in the creation of aesthetic objects environment or experiences that can be shared with others. Some people don't know the brilliance behind the scenes They don't understand art. Some people don't like art .At times someone's art is others rubbish. It is impossible to create something that pleases everyone . Here, Rang, gives you a great platform with a warm welcome to come and share your emotions in the form of colorful art. The artists associated with us define art in terms of good, truth, and especially beauty. The artist under this roof portrays an art in the manner that creates an emotional link between an artist himself and an audience one that "infects" the viewer.
