An eminent manufacturers, exporters and importers of an exciting collection of designer rangolis, designer stickers, designer borders and promotional items. Owing to 3D effect, high color definition and durability, our range is high in demand.

About Us

Established in 1988, we, The Screenographic are one of the established manufacturers, wholesalers, importers and exporters of an enticing range of Rangoli, Auto Stickers and Promotional Items. These stickers are immensely used for decoration purposes, promotion of brands, sports team and political parties. To keep pace with the growing market requirements, we have developed a state-of-the-art infrastructure. It is divided into various units such as designing, production, testing, packaging, storage, customer care and delivering. All the units are provided with essential facilities to run the entire process easily. Further, all the products are tested on various parameters so as to high international quality standards. Owing to our client centric approach, timely delivery and ethical business practices, we have created a benchmark in the national and international market. We credit our enviable success to our mentor Mr. Ashok. With his vast industry experience and dynamic leadership qualities, the company is reaching towards success.
