About Us

Incorporated in the year **2008**, at **Gurgaon (Haryana, India)**, **Rathee Ceramics** ,has gained recognition as the noteworthy **Manufacturer, Supplier and Exporter** of an exclusive gamut of **Ceramic Thread and Wire Guides, Ceramic Guides, Ceramic Tubes and Rods, Ceramic Eyelets, Ceramic Pulley and many more**. Our offered products are extremely valued by our clients for their beautiful designs, chemical deterioration, high strength and excellent finish. The entire collection is designed under the supervision of our creative team of professionals using optimum quality raw material and advanced technology. Our organization follows **Total Quality Management Policy** under which we follow stringent quality norms and develop our products with premium grade of raw material. Owing to high quality and attractive products, we have captured a massive market base across the national market. We have developed a `state-of-the-art? infrastructure that spreads over a wide area and is installed with all the latest machines and tools. In order to maintain smooth work flow, we have segregated our infrastructure into different departments such as designing, quality control, R&D and warehousing & packaging. This manufacturing department is equipped with latest technology that assists us in meeting the bulk, urgent and customized orders of our clients within the pre-defined time frame. These installed machines are regularly upgraded by...
