About Us

Rathod Construction & Property Dealer was established in 2005. We are providing House Construction Services, Bungalow Construction Services, Commercial Building Construction Services, Multiplex Building Construction Services and Residential Building Repairing Services. All these services are carried forward by an innovative and creative team of professionals who follow all the industry set standards and other parameters for quality, durability, reliability and many more. The professionals we have hired keep a strict look on the ongoing market trends and hence implement the similar ideas in their services.

We are a company that puts all the possible efforts for completion of the project in a proper time frame and with utmost perfection. This not only makes the clients satisfied but also earns us a strong and positive reputation in the domain. Our company even takes care of the safety of our architects, contractors, laborers, etc. involved in the construction process so that no accident takes place. Our company stays inclined towards research and development to stay updated with the ever changing market trends.
