<https://www.indiamart.com/raviindustrial-lining-coatings/>

We are counted among the reputed manufacturers and suppliers of a wide range of FEP Lined Products. Apart from these, we offer reliable Coating Services that are highly appreciated by our clients.

About Us

Located at **Hyderabad, Andhra Pradesh (India)**, **Ravi Industrial Lining & Coatings** came into existence in the year 1990. Our organization is one of the leading **manufacturers** and **suppliers** of **FEP Lined Products** which includes **MS/SS FEP Linned Reducers, GLR Manhole Covers, PTFE Spray Balls** and **GLR Flush Bottom Valves**. Apart from these, we also provide coating services such as **Hallar Electro Conductive Coatings** and **Halar Food Grade ECTFE Powder Coatings**. These services are offered with the help of our experienced professionals who are dedicated and hardworking. The products offered by us are made up of finest quality raw material ensuring high durability and efficiency. We offer these products in various specifications and at reasonable prices. Entire range is popular for its application-specific designs, accurate dimensions and abrasion resistance. Our owner, **Mr. S Ravi Shankar**, has in-depth knowledge and vast experience in the domain, which enables us to stand apart from our competitors. He is a good leader and motivates the whole team to perform their best for the realization of organization goals. It is the result of his skilled business approach that we are able to build a strong clientele base including big names like Ranbaxy, Matrix and Syngene International. Quality is the strength of our organization and strives hard to offer best quality services and products. All the products...
