

Rayman Exports

<https://www.indiamart.com/rayman-exports/>

We are an ISO certified manufacturer, supplier & exporter of a variety of Semi Precious Gemstones, Shell Mosaic, Tumble Stones, Rock Stones, etc. Featuring durability & luster.

About Us

We Raymans Exports was established in the year 1998 with the vision to Manufacture, Supply and Export a wide assortment of Semi Precious Gemstones, Shell Mosaic, Tumble Stones, Rock Stones and many more. Reflecting the amazing combination of unsurpassed appeal and medicinal qualities, these stones are widely preferred in the domestic as well as overseas markets. We are situated in Jaipur and being efficiently led by our mentor Mr. Joginder Singh and Mr. Virender Singh. Their sharp business acumen, persevering attitude and motivating leadership have propelled our organization to the sky scrapping heights of success. Further, the concerted efforts of our aesthetic designers, dexterous artisans and latest machinery enable us to offer the range, which meet the tastes and preferences of our worldwide clients. Our vision to become a major industry player in our domain makes us liable to offer the best quality semi precious stones and other stones. Being a quality oriented organization, we stringently check our range of products to ensure their compliance with international standards. During our long journey of over three and a half decades, we have been able to earn the unwavering trust and positive response of our clients.

We feel pleasure to introduce ourselves as a fastest growing organization involved in manufacturing, supplying and exporting of a diversified range of Semi Precious Gemstones which includes Semi Precious Amethyst Gemstone, Semi Precious Agate...
