About Us

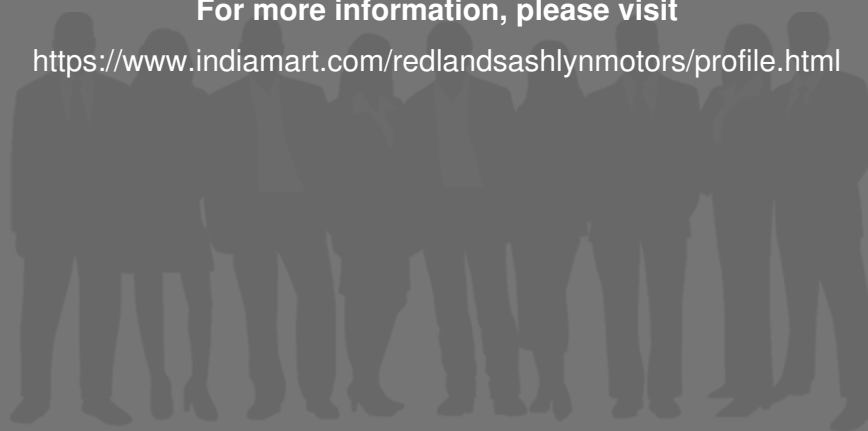

Redlands Ashlyn Group was established in 1989. The group has interests in trading and manufacturing of weighing equipment, offset print finishing & packaging equipment and agriculture machinery. Redlands Ashlyn Motors PLC manufactures agriculture equipment like **Straw Baler, Hay Rake, Ridge Plastering Machine, Farm Cart etc.** is the latest venture of the group. The factory complex spanning 66000 sqm is located at Malumichampatti, Coimbatore, Tamil Nadu. It includes an engine assembly line, pre-treatment plant, paint shop and assembly lines for agricultural equipment.

History of Redlands Ashlyn Group:

- 1989, entered the precision weighing balance business, catering primarily to the jewellery industry and research laboratories under the current avatar of Ashlyn Chemunoor Instruments Pvt. Ltd.
- 1996, a new division was formed to market, service and manufacture offset print finishing and packaging equipment and is today a leading player in the Middle East, Africa and India.
- 1999, introduced x-ray fluorescent spectrometers or carat meters for the non-destructive analysis of precious metal jewellery.
- 2005, the company introduced the handheld x-ray fluorescence (XRF) spectrometers for onsite metallurgical applications. XRFs today help industries to conform to Rohs, ELP standards and for online and offline quality control in production.
- 2006 started Redlands Ashlyn Motors PLC, the latest...
