## About Us

We are offering a luxurious array of shawls in varied multi hued designs that are hand woven by weavers who inherit this art. The tradition of this art continues from one generation to another and is showcased in our spectrum of shawls and scarves. Our collection can be broadly categorized as shawls and scarves made from every possible fiber with the embellishments as per the clients requirements. The embellishments include solid dyeing, tie dye, ombre dyeing as well as embroidery. However, our expertise lies in the hi fashion printed scarves. These are printed using both the traditional screen printing method as well as the latest digital printing process. Pashmina shawls, woolen scarves, designer shawls, woolen shawls, embroidered shawls, cashmere shawls, pure wool shawls, pure silk shawls, embroidered shawls, viscose shawls and promotional shawls. All our products share following features.
