

# Reliable Facilities & Interiors Private Limited

<https://www.indiamart.com/reliablefacilitiesinteriors/>

We are one of the foremost providers of **Architectural and Interior Designing services**. Our services are highly demanded in the **Corporate Houses, Institutions, Hospitality and Residential sectors**.

## About Us

Established in the year **1997** at **New Delhi, India**, we, "**Reliable Facilities & Interiors Private Limited**," are a prominent name engaged in offering **Project Management, Planning & Site Supervision, Security & Safety Solutions, Interior Design Services, Inspection & Expediting and HVAC Solutions**. In addition to this, we also provide **Good Living Solutions, Facility Management Services, Engineering (Operation & Maintenance) Services, Electrical Services, Architectural Services and Structural Services**. Technological advancements in all our service processes and constant in-detail market studies have made it possible for us to deliver services in adherence with global quality parameters. Supported by a team of adroit architects and interior designers, we have been able to deliver brilliance backed services within the promised time period specified by our valued clients. We have been focusing on understanding the exact requirements of our customers and rendering services tailored according to those specific requirements. This has helped us in winning over clients from all over the Indian subcontinent from **Corporate, Institutional, Hospitality & Residential sectors** and reap a turnover of 4 crore(**40 million INR**). Under the successful guidance of our mentor, **Mr. Kawaljeet Singh**, we have reached an unmatched position in the industry. His deep...
