Renova Sales Corporation

<https://www.indiamart.com/renova/>

We are a well-known organization engaged in Manufacturing and Supplying an extensive array of Nozzle, Elements, Oil Seal, Washer, engine spares etc. These are appreciated for features like dimensional accuracy, durability and high tensile strength.

About Us

Inaugurated in the year **2008**, at **Delhi, (India)**, we, “**Renova Sales Corporation**”, are considered amongst the most prominent manufacturer and supplier of an assorted range of **Nozzle, Industrial Elements, Oil Seal, Washer, Hand Primer, Automotive Filters**, etc. The offered products are manufactured using latest machinery, ultra modern technology and premium grade raw material. Our products are quality assured in conformity with the set industry principles. These products are widely acclaimed among our precious clients for their dimensional accuracy, robust construction, optimum functionality and easy installation. In addition to this, the offered products are available in various sizes, designs and dimensions to suit the varied necessities of our valuable clients. The factor that has helped us in achieving incomparable success in the industry is our state-of-the-art infrastructural setup. Spread over a vast area and segregated on various units, our sophisticated infrastructural unit assists us in executing bulk orders of clients within the stipulated time frame. Our infrastructure is divided into various units such as production, quality control, sales & marketing, etc. that are manned by adroit professionals. All these units work in close-synchronization with each other to accomplish the objectives of our organization. Well-equipped with sound infrastructural facility adopting international standards, we cater...
