About Us

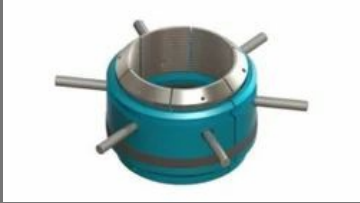

We are an Engineering and Manufacturing group located just off the NH4 at Jalahalli Cross, the gateway to the Peenya Industrial estate. Established in 1983, we serve the manufacturing needs of a diverse client base that trust us with our experience in machining a wide variety of materials. (A few of our esteemed customers include BFW, SAIL, Rail Wheel Factory, Kirloskar Electric Co., HAL, CMTI etc.) It can be safely said that our staff, a handful in number, has a combined experience of over 100 years.
